## **Hepworth and District WI**

We cover the villages of Hepworth, Barningham, Coney Weston and Hopton, and provide a fun, varied and inspiring programme of meetings on the 2nd Thursday of every month in Hepworth Pavilion at 19:30.

This year we celebrate our **70th Anniversary**, making us one of the longest running community groups in the villages we cover.

We love to greet new members, and visitors are always sure of a warm welcome.

**Come and support your local WI!**

## Hepworth & District WI

After our enjoyable although damp outing to Helmingham Hall in August we were back at the Pavilion for our September meeting. Unfortunately we had a few apologies so Geoff Evans only had 8 of us in his audience. He showed us some wonderful pictures of Scotland both in summer and winter when he is out and about with his camera enjoying climbing many of the “munros” of Scotland. Often accompanied by his wife they seemed to think nothing of walking and climbing for twelve hours in the summer while the light lasted. We could only admire their bravery and fitness but they did get to enjoy the scenery with few other people around.

We followed the talk with refreshments and a discussion of forthcoming events arranged by our west Suffolk federation but then had to discuss the future of our WI.

Unfortunately with falling numbers we do not think we can continue next year which will make our 70 th birthday celebrations in December also our last meeting. If we could find a dozen women who would be willing to join and take a very small part in helping to run our WI we could continue and hope to eventually get to our centenary like a number of other WIs. However we need these people to come forward now as next year it will be too late. There will be nothing to pay until January so if you are interested in keeping a small piece of local history alive please do contact me.

Currently we cover Hepworth, Barningham, Coney Weston and Hopton so there should be enough women in these villages to keep one small WI going. If you want to find out more about Hepworth and District WI please ring me or for general information about the WI look online at the West Suffolk Federation (<http://j.mp/WI-suffolk-west>).

We meet at Hepworth Pavilion on the 2nd Thursday of the month at 7.30pm and visitors are always welcome. Our next meeting is on 11 th October when Pip Wright will be talking about Witches in and around Suffolk.

## Hepworth Art Exhibition

Saturday 6th and Sunday 7th October (10.30 – 4.30)

On the first Monday in August our topic was 'Stunning Sunsets and Beautiful Skies' and there were plenty of them! Other challenges during August included Windmills and Watermills and a cryptic 'Feeling Blue' completed our August sessions. Quite a variety of topics to keep us on our toes! In September we were delighted to welcome Catherine Bremner (back by popular demand!) who expertly led a workshop on painting animals. We were delighted with the tips and techniques Catherine so generously shared with us. Another Monday, mindful of the Village commemorative day on 11th November 'Battle's Over', we devoted a day to painting artwork that will form part of an overall theme. We are inviting children who attend the art exhibition on 6th and 7th October, to produce artwork to be included in the project.

The Art Exhibition on 6/7th October will soon be upon us! As you can imagine, a lot of planning is involved. There will be over 100 paintings on display both in the Pavilion and in the Church. Delicious refreshments will be available also. The popular Children's Creativity Corner/space will again feature this year plus a little 'arty' quiz that requires observation skills only!.

Just in case you need a reminder! October 7th is nationally designated as 'Silver Sunday' – a special day to celebrate our **super silver senior citizens**. We would be delighted if our Hepworth Silver generation could come along and share with us an hour or two; enjoy some refreshments and take time to talk to friends, neighbours and members of the art club. Please let me know if you need transport. We will be happy to collect you and take you home again. We look forward to seeing you there!

## Hepworth Weather (as measured on The Street)

July 2018: Max. Temp: 36.2C 27th  
Min. Temp: 10.2C 4th  
Total Rainfall: 36.4mm  
Wettest Day: 24.3mm 27th

August 2018: Max. Temp: 33.1C 7th  
Min. Temp: 6.4C 31st  
Total Rainfall: 49.7mm  
Wettest Day: 18.5mm 9th

### July 2018

Exceptionally hot, dry and sunny. The warmest month of any in my record (2009) and the maximum temp. of 36.2C on the 27th was another record for this station and probably rivalling the summer temperatures of 1976, 1995, 2003 and 2006. The nights, although warm, were comparatively cool compared to local towns and cities. One of the benefits of living in a rural location. The absence of rain throughout most of June continued in to July up to the 26th. (47 consecutive days of no measurable rain). After the great heat of the 27th came severe thunderstorms with frequent lightning on that evening and 24.3mm of rain. In fact the month's total rainfall (36.4mm) fell between the 27th and 30th. Some stats for July: Average daily Max. Temperature: 27.9C. 24 days it reached 25.0C or above, 10 of those were 30.0C or above. An unprecedented month for daytime heat, caused by excessive dryness of the ground leading to very rapid heating by the strong sunshine.

### August 2018

The heat and sunshine of July continued for the first 7 days of August with a daily average maximum of 30.5C. From the 8th onwards, daytime temperatures gradually fell back to 'normal' August levels with rain and showers returning, although it was still quite sunny. The last 8 days of the month were rather cool for August with a wet Bank Holiday Sunday and a Min. temperature of 6.4C on the 31st. Overall, rainfall was slightly below average for August.

# the best exotic hepworth pavilion curry night

The Pavilion was alive with exotic Indian Music on Saturday 18th August at our first Curry Night. The Hepworth2Enjoy Team really worked their magic and the Pavilion looked like an exotic Indian venue with beautiful embroidered, sequined colourful drapes, candles and fairy lights, bright orange and purple table covers with multi-coloured serviettes. A colourful Raj sculpture took centre stage. Joss sticks gave a lovely musky scent only outdone by the delicious mix of curry aromas. Colourful flower garlands were given to each person on arrival. For a few hours we were transported to Mumbai, all that was missing was the Bollywood Dancers - maybe next time .....

Our guests were served with a varied selection of Chicken Curry, Beef Curry, Vegetable Curry, Lentil Dhal, Mango Chutney, Lime Pickle, Cucumber Raita, Bombay Mix and boiled rice, naan bread and poppadums' followed by an Exotic Fruit Salad and Fresh Cream.

Some people really embraced the theme and arrived in beautiful saris, kurtas and other colourful robes.

It was lovely to welcome our regulars as well as some village newcomers. The air was filled with a buzz of conversation and laughter. All in all it was a perfect way to spend a Saturday evening.

Look out for more Hepworth2Enjoy events in the near future. Be there or be square!

## Hepworth2Enjoy - a year in review

We are a friendly collective of villagers who, on an ad hoc basis, come together to put on village events. We also are here to support others who want to independently put on village events. We can provide people- power, experience and bags of enthusiasm. Every now and then, we come up with an idea and after a planning get-together, an event is born! In 2018 we have arranged or supported a whole host of events:

Events this year began with a traditional **Burns Night Supper** - complete with delicious Haggis (an alternative provided for vegetarians and for those who can't stand Haggis!), Neeps and Tatties with Clare's whisky sauce, Topsy Laird Trifle and Cheeses and Scottish Oatcakes followed the main course. All washed down with a favourite tippie or two! A few brave people whisked away the calories by dancing flings and Gay Gordons!

In April, A delicious **Fish and Chip Supper** and afterwards a whole host of traditional pub games – organised by Maureen and Ron Bacon, and supported in whatever way we could. The treacle tart and apple pie we provided went down a real treat. But the event just wouldn't have happened if it hadn't been for Maureen and Ron. A fabulous evening!

The **Scarecrow Festival and Strawberry Tea** in June was extremely well supported and our thanks to everyone who entered into the spirit of the weekend. As we came up with the idea quite late, it was quite a tight timetable. Fantastic 'Hepworthians' produced some amazingly creative Scarecrows which adorned many of Hepworth front gardens. Definitely something we would like to repeat.

In July, Maureen and Ron Bacon coordinated and arranged the **Flower Festival** in St Peter's Church with a little support from their H2E friends and the art club.

We then tried something completely different! **The Best Exotic Hepworth Pavilion** in August proved hot in many ways! On a glorious summer's evening, the Pavilion was transformed with everything Indian – from exotic wall hangings to colourful table cloths and runners and brightly coloured garlands. A variety of curries were served together with Dahl, Rice, Poppadums, and Naan and followed by Best Exotic Fruit Salad and cream. A hugely successful event and we

have had many requests for a repeat next year.

Looking ahead: In November the Parish Council are hosting **Battle's Over** - an event to commemorate the end of the First World War, to which everyone is invited. This event is being led by Marjorie MacPherson, Andrew Yorke and Maggie (from the Potato House!). H2E are providing support for this event. (More about this important event - separately in this edition).

In December, **The Village Christmas Get Together** is on 16th December. This is organised by H2E and is free to every Hepworth resident. Last year was our first Christmas Get Together - and it was lovely to see so many people enjoying a pre-Christmas afternoon. An event for everyone in the village no matter what age! It is an opportunity to escape the commercialisation of all things Festive and to relax and enjoy a mince pie or two and meet others who share this special village. We shall look forward to seeing you there.

Whilst Hepworth2Enjoy does not set out to make a profit from any events we do sometimes make a small surplus. H2E uses this to subsidise other events. For example the Christmas Get Together is funded entirely from H2E's surplus from the year.

Would you like to help? There is absolutely no commitment to attend every meeting - you are welcome on a totally ad hoc basis. We are enthusiastic, friendly and like to make our events fun - and that applies to the planning sessions too!

Please contact Clare on 250 660 who will be delighted to hear from you.

## Hepworth Speedwatch News

Along The Street:

July 2018: 1 Session, 4 vehicles logged. Max speed = 41 mph

August 2018: No Sessions

More volunteers are needed for our village speed watch. You would be very welcome to join the team. A small bit of form filling and a short time of 'in house' tuition are all that is needed to help make our village roads safer.

NB. You do NOT need a history of being a 'road angel' to join the team!

## THE REAL HOUSEWIVES OF HEPWORTH VILLAGE

( A tongue in cheek, long-suffering farmer's wife view of life on the farm. We left our Farmer's wife contemplating twine and tape whilst at a Farm Sale... )

I have this theory that all farms are kept together by baler twine and duck tape, and this confirms my belief. When I look around our farm, it's great for holding doors open, getting a mud soaked dog back to the house, attaching a sign temporarily, (which is another word for permanently in farmer speak) the list is endless. Duck tape, well it's such a god send. Helps me with endless logistical problems.

Anyway, back to the sale. Lots are sold at an alarming rate, in a fast, alien language that I don't understand. I wonder if you have to go to Agricultural College and learn it, you know, as part of the curriculum? The crowd either shuffle along behind the auctioneer, or stand back to watch the proceedings, commenting on the prices, "That was a fair price" or "that made a lot considering its age and hours." Bit like me really.

Nodding my head to the men around me, who speak to me and anyone else in the vicinity in whispered tones, I can't understand what they're saying, so I just nod. This half involuntary motion is giving me a headache, and I therefore adopt the farmer's pose of

### Grit Bins

With winter fast approaching the Parish Council are mindful of the Grit Bins situated around the village.

It is now a requirement by Highways that the Parish Council have a list of volunteers available who will spread grit when the conditions require. If you have a grit bin near you and would be happy to be listed as a 'grit spreading volunteer' please contact the Clerk at [clerk@hepworthvillage.co.uk](mailto:clerk@hepworthvillage.co.uk) or 01359 250037.

If you notice the grit bin near you needs to be replenished also contact the Clerk as above.

head down, looking at the ground and scuffing my wellies in the mud so that at least I do look as though I understand what they're saying. I throw in the odd "Mmmm" for emphasis and use farmer speak of "Well basically, ..." and am interrupted, thank goodness, before I have to say anything remotely relevant.

However, as we move closer to the action, I am terrified of speaking or moving in case I buy something, then realise to my horror that nodding has bought me a lot which turns out to be an assortment of "D" Rings and the Clerk is looking to Him for a paddle number. He, in the meantime, is looking at me. I raise my hand to indicate it's time to get coffee, and buy a lot of wood. When I say a lot of wood, I mean a "lot" of wood, and it is a lot of wood. Oh well that'll keep the wood burner going.

"Would you like the option on the other four lots?" the auctioneer is looking at me.

Now I shook my head frantically from side to side so many times I made my brain rattle. Quickly, I turn my back and make a run for it back to the tea van, desperately in need of nicotine and caffeine. I settle down on an old crate as far away as possible from the auctioneer and doing any further damage to his bank account, Him Outdoors that is, not the Auctioneer.

Lot's purchased, including my accidental ones, payment made to the Clerk, we load up and, to my relief, are soon to be heading for home. Not yet though, he's just seen an old friend from College. I go to the van and buy yet more coffee. I should mention here that with all this coffee drinking, I have to visit the little portable blue room, a logistical nightmare with all these clothes, and so time consuming.

Just as well the visit takes a little longer, as the "quick word" in farmer speak is at least thirty minutes or more, and once these old mates have relived the last thirty years, caught up on each other families, including aunts, uncles, children, and the hatches, matches and despatches, we climb into the truck and make our exit.

However, at the gate, another old friend....
