2.	Declarations of Interest There were no declarations of interest	
3	Comments from Member of Public Comments were received as a document submitted to the chairman and verbally at the meeting. There are serious concerns regarding the entire development at the Cart Lodge Annexe. Permissions appear to be predominantly retrospective. What was originally described as a workshop is now a dwelling with a tenant. There are health and safety concerns regarding positioning of Oil tanks, Calor gas tanks and electrical cables. Neighbouring properties are listed buildings and this development is impacting them negatively.	
4	Planning Application DC/20/ PROPOSAL Application for <div data-bbox="172 1375 1150 1464" style="border: 1px solid black; padding: 2px;"> Householder Planning Application - Awning to existing workshop (retrospective) Cart Lodge, Annexe North Common Hepworth IP22 2PP </div> Parish Council Comment: The Council do not support this application. There are severe concerns around the whole development and the apparent blatant disregard for procedure. Parish Council have written to the District Councillor requesting a full investigation, site visit and detailed explanation from West Suffolk Council planning authority.
