KKR Accountancy

I am a freelance Book keeper / Accountant with a wealth of financial experience which includes property accounting with over 400 property accounts under my remit, having worked as a Finance Manager in many fields all my life including working within a firm of accountants as a Semi Senior. I have been running my own business for over 7 years and have a great client base which I am looking to increase.

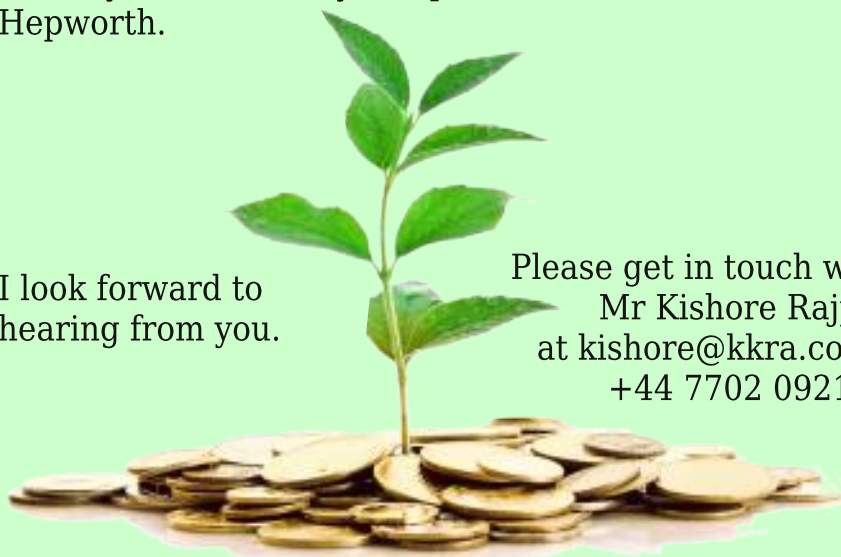

I am able to prepare full sets of management accounts for small, medium & large sized companies and have used many of the well known accounting packages and am a member of the Sage Accountants Club.

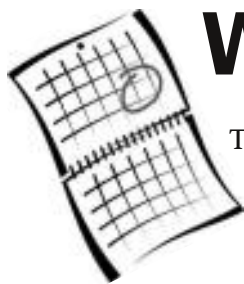

I also offer payroll services along with preparation of corporation tax, self assessment & annual returns and setting up/formation of new companies.

My rates are very competitive and I am based in Hepworth.

I look forward to hearing from you.

Hepworth Art News

Since our last news update a lot has happened. Not sure why this should sound funny but after painting fire during the second session in January, the following Monday we were painting all things Scottish! In our own creative way, we celebrated Burns Night by painting Dancers and Bagpipes and the occasional thistle and Highland landscape.

A mystery session the following week proved to be successful even though no-one knew what they were painting! Each member had a small square from a Renoir painting and a much larger blank square of watercolour paper. We had to replicate exactly what we saw on the small square. An interesting and challenging exercise on painting what you see and not what you think you see! Here is the result, though not in technicolour (approx. 2ft x 4ft).

We plan to display this during our Autumn Exhibition which has just been fixed as 6/7th October. We shall look forward to seeing you there.

Other topics included a view through a window, Dogs (for the Chinese New Year of the Dog, Shadows, city life and many others. Adrian Rumbles, a local artist, provided a session by playing scenes of Spring and Summer – and using our senses, we had to select from an ever changing loop of pictures an image to reproduce - which we all found extremely challenging!

Defibrillator Training

The Parish Council are holding two free training sessions in the Village Hall to demonstrate the use of the Defibrillator, which is soon going to be installed at the entrance to Stimsons Yard, The Street, following its kind donation by Richard from Wup Doodle.

The sessions will be on the following dates:

1330 on Saturday, 5th May

1330 on Thursday, 17th May

If you would like to attend either session please call Sue Yeomans, Parish Clerk on 01359 250037, or email clerk@hepworthvillage.co.uk

Hepworth Walks Leaflet Now Available

Hepworth Parish Council, together with Suffolk County Council, have produced a new Hepworth Walks leaflet. The leaflet is free to all and can be picked up from a leaflet stand at the end of Wood Lane by the noticeboard. The leaflet includes three walks of varying lengths around the Parish. Coloured way markers along the routes are being installed over the next month.

HEPWORTH PARISH COUNCIL

A meeting of the Hepworth Parish Council took place on Thursday 15th March 2018 at the village hall where the following Items were discussed.

Attendees: Mr D Stannard (Chairman), Mrs R Vernon, Cllr C Bull Cllr J Spicer, Mr A Yorke, Mrs K Shearer, Ms L Robinson, Mr G Bloomfield, Mr P Penn (Tree Warden), Mrs M MacPherson.

Members of the Public: Mrs A-M Thomas, Mrs W Summerell

1. Apologies - Mrs N Yorke, Mrs S Yeomans (Clerk)
2. Declarations of Interest - Mr D Stannard and Mr G Bloomfield signed for item 6. Hepworth Recreation Ground Committee
3. Minutes of previous meetings - The minutes of 4th January 2018 were agreed and signed.
4. Matters Arising from previous meetings - The defibrillator and signs will be erected this week. Ms L Robinson has been in contact with Stuart from Hopton to provide CPR training.
5. Suspension of meeting to receive reports and hear from members of the public present
 - i. Mrs W Summerell presented information about a mobile mast scheme for village churches. Mrs M MacPherson will be taking this information to the next meeting of the Hepworth PCC. Opinions to be gathered at the APM in April.
 - ii. Report from Cllr Spicer - Cllr Spicer gave her apologies for her absence at the previous PC meeting in January. She asked whether the Hepworth Village Walks leaflet had been delivered, suggested it was made available locally. Mrs K Shearer was meeting SCC next Thursday to arrange for the waymarkers to be installed. There will be a public hearing regarding the footpath claim along Wood Lane at Hepworth Village Hall on Tuesday 20th March at 10am. A small section has been disputed. Cllr Spicer suggested that the proposed Shepherd's Grove development would provide both benefits and disadvantages. Further details will become available as the plans develop. The speed indicator sign by Sutton Close on the A143 is no longer working. The PC agreed they would like a new speed indication sign. Cllr Spicer will pursue this with Highways. A survey is being carried out by the Mobile Library team to determine how the service is used. Cllr Spicer is asking Suffolk County Council for Parish Council involvement to help promote the survey. Hepworth PC to ask residents to complete the survey if they can. Details on the website and the Hepworth Facebook page. Suffolk

County Council Highways Engineer to come and look at the former footpath along Market Weston Road. She will be putting together a proposal with Cllr Spicer. SCC have indicated that the drainage team would be pursuing the problem of the flooding on the Hepworth to Barningham road. There appeared to be no problems with the ditches either side of the road. Mr D Stannard asked for a detailed response from the SCC Highways team as none had been received so far. Cllr Spicer will arrange for larger flood warning sign. Potholes are being dealt with and Cllr Spicer asked parishioners to keep reporting them. Ms L Robinson asked whether the A143 between Hepworth and Stanton would be looked at as part of the road repairs? No plans known to include this section of road as major resurfacing works had been carried out there relatively recently. The home-to- school consultation being carried out by Suffolk County Council is now closed, several meetings on the subject have been planned.

iii. Report from Cllr Bull - A review of the ward boundaries in West Suffolk has resulted in no change for the Barningham Ward. The Parish Council was happy with the current ward boundary. There has been a problem with fly tipping in the lay-by between Hepworth and Stanton on the A143. The landowner and St Eds BC have been addressing the problem, with plans to install signs and rubbish bins. The owner of Blacksmiths Cottage, The Street has assured that work to tidy up the plot will be carried out. Cllr Bull asked members of the PC whether they felt that police visibility was good in the parish. The general response was no. The public can dial 101 to contact local police. Ms L Robinson asked whether it would be useful to start a Neighbourhood Watch Group again? B/F to APM in April. A pool of S106 money, totalling £3,373.11, from planning application SE/13/0574 is available to Hepworth. The monies need to be spent on public open space, play or green infrastructure, or community facilities. Ideas will be gathered from parishioners at the APM in April.

6. Finance - The following accounts for payment were agreed:- Hepworth Recreation Ground Management Committee - £88.00, Clerk Expenses (Jan-Feb 2018) - £72.50, Clerk Salary (Dec 17-Jan 18) - £372.99, Kallkwik Defibrillator Signs - £87.00, Clerk reimbursement for payment to Morelock Signs Ltd - £2926.80, SALC payment for Councillor training - £120.00, Ms L Robinson, new Councillor training expenses - £45.00, It was agreed that SALC should be appointed as internal auditors for Hepworth Parish Council. It was agreed that an Exemption from Limited Assurance Review Certificate should be submitted to the External

- Auditors. It was also agreed, in principle, to appoint external auditors for 2017/18.
7. Clerk's/RFO Report - 1. Bank Balances @ 19 February 2018, Community (current) account £6,088.75, Business Saver account £1,828.57, 2. Speed Watch Sessions - 17 January - 2 speeder, 26 Jan - 1 speeder, 8 Feb - 13 speeders., 2 x battery packs for the Speedar SR1 Radar Gun @ £25.00 each + £9.35 postage have been, ordered, payment to be taken from CSW Fund surplus., A M-SID Compact Radar Speed Sign has been ordered at £2,439.00 + VAT £487.80. £739.00 has, been received from Cllr Bull's Locality Budget towards the purchase. 3. A request has been made to SCC for installation of a pole to house the defibrillator sign opposite to the entrance to Stimsons Yard on The Street.
 8. Planning Applications - There were no planning applications
 9. Shepherd's Grove Development - See Cllr Spicer's report. Mr D Stannard said that the parish would be involved in any consultation.
 10. Changes to School Transport - See Cllr Spicer's report. NY to put on Hepworth FB page.
 11. Footpaths - See Cllr Spicer's report above. Mr D Stannard will attend meeting with engineer.
 12. Highways - The flooding and Speed response were discussed during Cllr Spicer's report.
 13. Battles Over - 11 November 2018 - Mr A Yorke reported on the progress of plans for the Battles Over event Sunday 11 th November. A bugler had been appointed to sound the Last Post, with an offer of backup support. It is not possible to ring the church bells at St. Peter's, but church bells will be amplified over speakers for the event. The loan of period uniforms has been offered by the Suffolk Yeomanry Regiment. St. Peter's Church to open for the event. Mrs M MacPherson has been researching the background of the fallen soldiers remembered on the Hepworth War Memorial. Thanks to Maggie Morrison in particular for her help in gathering information. Appeal made for any further information, memories, or memorabilia from parishioners who were connected to any of the fallen soldiers to be displayed in the village hall on 11 th Nov. There are two individuals in particular who have very little information of their association to the village - Major Claude Stuart Lyon MC & Bar and Herbert Talbot. Suffolk Yeomanry Regiment have been helpful with research. Church Warden's records may also provide information. Hepworth Herald appeal to be made for information and items for display. Hepworth Art Group to display art and Hepworth 2 Enjoy to be asked for assistance.

14. Correspondence - Suffolk Preservation Society Membership Renewal - agreed. Neighbourhood Watch donation request; Neighbourhood Watch Scheme to be considered at APM; Community Bus donation request - to be considered as an option for the S106 monies available.; Carolling all the Way 2018 - a carolling event will be held 14th-16th December 2018 to raise funds for St Nicholas Hospice Care. Information to be passed to Hepworth Singing Angels.; Proposal for monies to plant trees in Hepworth - The Tree Warden, Mr P Penn, gave an update on the appeal to find areas in the village where native trees could be planted. One request for oak trees along Wood Lane received. Due to deer damage on existing trees larger trees of 6-8 ft high with protection advisable. Agreed the Parish Council would purchase 10 trees at a cost of £18 each. Mr Penn also has smaller trees and hedging plants available. Mr Penn to contact with local landowners and anyone interested in the scheme should get in touch.

15. Questions to the chair - Ms L Robinson had been asked by local parishioners to enquire about ownership of the village hall and its management. Mr D Stannard explained that the hall was managed by the Hepworth Recreation Ground Management Committee and contact details for the Committee were given to Ms Robinson to pass on.

The meeting closed at 9.45 pm.

Flooding Reeves Hall, Barningham Road - Report Ref. No. 193781

After much correspondence with Suffolk County Council, we have received information from the Drainage Team stating the fault is their responsibility and not that of the adjacent landowners. The flooding is not considered a priority, according to their Summary of Drainage Schemes and will be added into their programme for possible inclusion in 2019/20 contractors plan and not any earlier. The Drainage Team acknowledge that the local landowner has done everything possible to alleviate the flooding, which is thought to be the result of a blocked council drain beneath the road. The Parish Council would like to thank the landowner for all his efforts to reduce and improve the situation, which is not of his making.

A BURNS NIGHT TALE – 27th Jan. 2018

On a dark and wintry evening, who would guess the strange and wondrous happenings in quiet little Hepworth. Not so quiet in the Pavilion where some celebratory goings on were in full swing: Stripping the Willow, Dashing White Sargents and twirling Gay Gordons! All things Scottish was the order of the evening with tartan, heather, Haggis, music & dancing.

The event was a 'sell out' with tickets snapped up almost before the event was announced! When everyone had arrived, Clare paraded around the hall holding aloft a silver platter on which nestled

submissively, a Haggis! Ian, with good grace, recited Robbie Burns "Ode to a Haggis" before plunging his sgian-dubh (!) into the steaming pudding. There followed a hearty meal of Haggis, Neeps and Tatties, with Tipsy Laird Trifles and finishing, for those who had room, with a selection of Scottish Cheeses and oatcakes. The ambience, together with Whisky and wine, combined to set feet a-tapping and bodies a-twirling –not always in the right direction I hasten to add!! Our special thanks to Clare and her Hepworth2Enjoy volunteers for another enjoyable evening. Special thanks also to the super musician from Stanton Musicians. Looking forward to the next one already!

January 2018: Max. Temp: 13.7C 24th
Min. Temp: -2.1C 6th
Wettest Day: 8.7mm 21st
Total Rainfall: 50.2mm

February 2018: Max. Temp: 10.3C 18th
Min. Temp: -7.4C 27th
Wettest Day: 8.8mm 14th
Total Rainfall: 49.7mm

January 2018

A mild, windy month with total rainfall around average. Exceptionally strong winds occurred early morning of the 18th from an 'unnamed' storm, with gusts to 75 mph around 6 am at Hepworth. Unusually, this local area of East Anglia was the worse affected in the UK. Gusts of 73 mph at RAF Mildenhall, 69 mph at Wattisham and 83 mph at Tibenham Airfield (9.5 km NNE of Diss), the highest lowland wind speed that day.

February 2018

A cold month (the coldest February since 2013) with rainfall slightly above normal. From the 26th to the end of the month was the start of an extremely cold and snowy period, lasting in to the beginning of March. Continuous frost for over 33 hours. The maximum temperature on the 28th never rose above -2.2C . There was 11 cm of lying snow on the 28th, the deepest snow cover here since February 2013.

THE REAL HOUSEWIVES OF HEPWORTH VILLAGE

A tongue in cheek, long-suffering farmer's wife view of life on the farm. Last time, we left our Housewife musing on the many uses for a farmhouse bathtub...

Said bath is used to wash out barrel (if that's the right word) of the Hoover, foam filter - what's left of it, and the hose, when straw (straw again) gets compacted in it and the fire poker can't make an impression.

Said bath is used for rinsing farm clothes prior to washing, haven't mentioned washing machine today, but, for the record, this appliance did behave itself during mucking out, and may well, someday in the not foreseeable future, have a well-earned rest.

Said bath has a glitch though, the cold tap can run slowly or not at all. You'd think with two plumbers in my life I could have it fixed, Oh no, the fixing operation, which occurs on a regular basis, is, yet again, carried out like just another military operation by Him Outdoors.

Picture this Ladies, you have a bath full of very hot water, and bubbles, let's not forget the bubbles, and no cold water in the tap, just a faint gentle hissing sound. You are tired and dirty and pleading for help. "Operation Tap" involves Him Outdoors (bless him) with adjustables and my treasured sewing machine screwdriver, which I still have by some miracle. I am prepared to let him use it so long as he fixes the tap and I can have a bath. Need I say that fixing the tap is carried out like a surgical operation?

As I was recounting one of my many moans to my mother, super-mum, she, as usual gave the matter some thought, and then suggested one of the old fashioned galvanised baths for such sundry "use of the bath" requirements. Maybe I should look out for one? I mentally make a list of the tasks I could use it for. Nostalgia grips me, I can see it now hanging on the wall outside, just like the one my Grandma had when I was little.

I have to go now as my bath is ready - Oh no, the click of the lock on the bathroom door - someone has got there before me. Maybe I could have another use for the tin bath? Let me see.tin bath in front of roaring fire in lounge, soaking in warm bubbles ...

Hepworth & District

Louise Brouwer gave an enjoyable resume of Thomas Gainsborough's life and works and his deep connection to Sudbury and Suffolk. While he would have liked to concentrate on landscape painting, in his times portrait painting was the economic necessity although he managed to get some landscape work into most of his paintings. We also heard about the major refurbishment and extension of the museum at Gainsborough's house which is about to happen and look forward to a visit there in future.

On 12th April we have Rodney Tibbs talking to us about Petra, often described as the rose red city. The meeting is at Hepworth Pavilion at 7.30pm when visitors who want to hear our speaker and are interested in our WI are very welcome.

If you want more information about Hepworth and District WI please ring me or for general information about the WI look online at either the national federation web pages (<https://www.thewi.org.uk>) or the west suffolk one (<http://j.mp/WI-suffolk-west>).

In Your Garden

Whether it's an allotment that you have or the smallest of 'vegetable troughs', April is the time to get seriously sowing with the veggies. Many can be direct sown into the ground providing your soil has been well prepared; forked over, all weeds removed, then raked and raked. Allow this to settle for a couple of days and then your seeds can be sown. Popular choices for April include Beetroot, Leeks, Onions and Spinach. Salad leaves too, and if you're also keen enough to start some seed sowing indoors or under glass then your seeds will germinate quicker and more reliably. Young salad, and Brassica plants as well, transplant well from seed trays, seedling tubes and the like, compost still intact.

Winter bedding plants such as Pansies, Violas and earlier bulbs will be finishing this month, so remove these from pots and planters and if they are worth caring for over the summer then plant them temporarily in a quiet corner. Then freshen up the planters completely as the compost will have been 'spent' but this doesn't mean it cannot be used in the borders or vegetable plot. Roses should have been pruned by now but if you haven't yet done so at least give them a light prune. It may mean they flower a bit later than otherwise but be sure to remove old dead wood and stems which cross others in the wrong direction.

We all know a gardener or two who we believe to have green fingers! They often get this label as a result of their great looking plants, but in reality, it's often their feeding habits that create such great results, and I don't mean it's what they eat! Feeding garden plants is the easiest way to boost healthy growth, resist pests and diseases and produce fantastic flowers and fruits. Now is the time to give all your plants a boost and there's a plethora of foods available from the almost instant liquid feeds such as Phostrogen and Miracle Gro liquid, to the longer term slower releasing ones such as the organic Bone Meal and Fish Blood and Bone, or the traditional gardeners favourite Growmore. Some feeds are specific to different species and others can be used on virtually any plants.

Happy Gardening
