Speedwatch Recruitment

As you all know we have a speeding problem in our village and we would like to thank the SpeedWatch team for their ongoing work in monitoring vehicle speeds through Hepworth. Their dedication is much appreciated. Sadly David and Sue Yeomans, Helen and Geoff Corris have all recently moved out of Hepworth so we need more volunteers to come forward. It is only for 1 or 2 hours per month at a time convenient to you.

We urgently need more volunteers.

Please contact Richard Hinton on 01359 251484 to find out more and discuss how you can help so we can keep this valuable service going. Join the team NOW to keep our village and inhabitants safe.

Along The Street:

For more information about Speedwatch, or to get involved, call Richard on 07979745990

September 2022:	1 Session	11 vehicles logged	max speed: 47 mph

TRAVELS DOWNUNDER - A REMINISCENCE

Part 11

Our travellers have just spent some time watching a pod of dolphins gambolling in the breakers...

After our encounter with the dolphins at Torbay we hit the road again following the coast westward towards the most south western point of Australia, near the town of Augusta. Just past the town of Denmark, near Pemberton we saw signs for "The Gloucester Tree". Intrigued that a single tree should be named we decided to investigate.

Turned out to be a massive karri tree, over 58 metres (190ft) tall, which had a lookout cabin built in the top of it which had been used as a fire prevention lookout post. This was constructed in 1935 and was named after the Duke of Gloucester who was Governor General of Australia at that time. To climb the tree metal rods had been hammered into the trunk forming a kind of spiral staircase all the way to the top. The rods were fairly widely spaced which meant that small people would find it difficult to climb. My wife, therefore, wisely decided not to attempt it but I thought I should give it a go. There were no safety rails or handrails, just the rods themselves. By the time I was only part way up I began to think this was not such a good idea but didn't want to lose face so gritted my teeth and managed to get to the top. The views were absolutely amazing and looked out across the whole forest from above. Going back down was even scarier than going up and by now there were other people on their way up so passing others was a very delicate manoeuvre. I was very relieved when I finally regained terra firma. (If you Google "Gloucester Tree Australia" you'll see photos of it.) Feeling that was enough excitement for one day we decided to stop there for the night and found a quiet spot where I could regain my composure.

Next day we continued westward and made it to Augusta where we stayed for two nights, giving us a full day to drive down to Cape Leeuwin which is on the very southwestern tip of the country. It's where the Southern Ocean meets the Indian Ocean and apart from a lighthouse on the headland there was not a lot else to see, but very rugged, scenic countryside and well worth the trip. Leaving Augusta we set off north towards Perth, stopping at Margaret River, a famous wine growing region, en route. The southwest corner of Western Australia is the country's main crop growing region and is known as the wheatbelt. It seemed to us to be a lot greener and less arid than many other parts of the country. It's just a shame that it's such a really, really, long way away from anywhere else. Indeed Perth is nearer to Singapore than it is to Sydney.

By now it was the tail end of March, which is of course the start of autumn downunder. We were advised not to venture too far north of Perth until the end of April as the wet season up north would not be over until then. So we spent a couple of weeks exploring Perth and Fremantle and some of the hinterland around them. Perth, which sits on the estuary of the Swan River, is a beautiful city and the view from Kings Park which overlooks the city was very special

THE WHITE SHEET

The dead elms stand like martyrs,
Like tombstones dark and drear:
Like loved ones deep in mourning,
With shocks of greying hair.

The sun dies with a whimper,
Well beaten by the night;
And out across the hillside,
A farmstead sheds a light.

The daylight's dying embers
Are less now than a spark;
A greyer tone the white takes on,
For cometh now the dark.

The oaks meet with the skyline
And heavy seems their sighs,
The ditches and the ridges,
Now blend in with the skies.

The cornfields are so peaceful,
Beneath the winter sheet,
And grow in strength for harvest;
The barley and the wheat.

This earth has much to offer
The rich man and the poor,
For soon will rise the morning
And soon will wake the thaw.

A Letter from the Rectory - December 2022

Dear Friends & Neighbours, Having helped in Media Studies Classes at Thomas Mills High School in Framlingham for many years I always wait with anticipation for the Christmas adverts to arrive. The Christmas Adverts were particularly good for the students to dissect and analyse. The John Lewis advert was always a firm favourite; they were of course advertising their products... but more and more they became about advertising a life-style and a way of being.

And this year's John Lewis Christmas Advert is in the same vein.

If you've not seen it yet.. It shows a man probably mid-forties desperately trying to learn to skateboard...he's not very good and falls off a number of times. It also shows the same man and his wife preparing for Christmas... decorating the Christmas Tree and wrapping presents. The man finally manages to stay on the skateboard. We are left questioning the motive behind his perseverance until the final scene, which shows a social worker arriving at his door with a young teenage girl, who has arrived at her new foster home carrying her skateboard. John Lewis has found a great way of not only promoting their Christmas products but also raising awareness of the 108,000 children in the UK that are in the Care System.

In the Churches calendar we are now in the season of Advent... the season of preparation. I love Advent ... I love the whole build up to Christmas... decorating the house, putting up twinkly lights, making mince pies and buying the food and the presents (although this year like most folk we're going to have to be careful how much we spend) But even when we've had very little money, I've still loved the season of getting everything ready.

Advent is about all those preparations... but it's about so much more. This couple in the advert were preparing not only for Christmas but they were also preparing themselves and their home for a guest... a guest who would become part of their family... a guest that made Christmas even more special for them.

This Advent as we prepare for Christmas... (whatever that might look like for you) I'd love to invite you to think about what it is that you're preparing for?

The Christian concept of Advent is about preparing our hearts and our homes for Jesus... to celebrate the greatest gift of all. The gift of Jesus the Son of God born for us all that first Christmas Day... born that we might know Hope and Peace... born that we might know what it is to be loved by God.

Christmas with all its decorations can be very special, but a Christmas where we welcome Jesus into our hearts and homes and experience His presence and His love is just wonderful. And the good news is He doesn't leave as the Christmas tree and decorations come down... but continues to live with us into the New Year and far beyond.

Have a very Happy Advent and a Wonderful Christmas and a Blessed New Year. God Bless, Rev Cathy

HEPWORTH PARISH COUNCIL: DRAFT MINUTES OF THE PARISH COUNCIL MEETING

HEPWORTH PAVILION, THURSDAY 20 OCTOBER 2022, 7.30 PM

PRESENT: Councillor Garry Bloomfield (GB) (Chair), Councillor Marjorie MacPherson (MM), Councillor Louise Robinson (LR), Councillor Perry Penn (PP), Councillor Justin Seldis (JS)

IN ATTENDANCE: Christopher Garman (Parish Clerk) (CG), County Councillor Joanna Spicer (JSp), District Councillor Carol Bull (CB)

No members of public were present.

22/117 PUBLIC FORUM: No public present.

22/118 REPORTS FROM AND QUESTIONS TO BOTH DISTRICT AND COUNTY

COUNCILLORS: a) JF spoke about the works to resurface Weston Lane and that she had been advised that the works will start week commencing 31 October 2022. JF talked about the meeting with some Church Close residents and others about the trees etc. It has been agreed that two will be felled and others trimmed. Following an email received, JF asked about the issues with the hedge at the junction of North Common and Barningham Road which is causing visibility problems. PP advised that he was having informal discussions with the landowner. JF spoke about the village gateways forming part of the traffic calming project and advised that SCC will now source and install them as part of the project. JF considered that between her budgets and some funding from CB that the cost will be covered with no funds needed from the Parish Council. JF advised she had no further news about the developments at Shepherds Grove.

b) CB encouraged councillors to attend the West Suffolk parishes conference. CB talked about further discounts becoming available for those in need in respect of the council tax. CB reminded that WSC were considering grants to assist with the heating costs of churches and community buildings.

22/119 APOLOGIES: Councillor Nicholas Bennett (NB) had offered his apologies, and these were accepted.

22/120 DECLARATIONS OF INTEREST: Both LR and MM declared an interest in item 9 (a).

22/121 REQUESTS FOR DISPENSATIONS: None.

22/122 MINUTES OF THE PREVIOUS MEETING: The minutes of the meetings held on 21 July 2022 and 25 August 2022 had been previously circulated. It was resolved that these were an accurate record of the meeting.

22/123 MATTERS ARISING FROM THE MINUTES: GB spoke about the need to find a person to take over the recharging of the SID's and the downloading of the data. A request will be put in the next edition of the Hepworth Herald.

22/124 VILLAGE ASSETS, TREES AND HIGHWAYS: a) A decision was needed in respect of the style of the village gates forming part of the traffic calming project. Consideration was given the various styles available from Glasdons. It was resolved to request SCC to purchase and install three style 183/0014 from Glasdons measuring 1800 mm high and 960 mm width in white.

b) The condition of the surface of Weston Lane was discussed earlier and it was noted that the SCC contractor will sweep the surface week commencing 31 October 2022 and install a new surface week commencing 14 November 2022.

c) It was noted that the recreation ground committee had declined the bike ramp proposal but sincerely admired the drive and input on the project. They felt unable to help with the project due to cost, insurance and legality issues. There was a discussion on how this project could proceed bearing in mind the recreation ground land needed, the resources to build to an appropriate standard, keeping it maintained and balancing this with possible usage. It was resolved to no longer proceed with the bike ramps project.

d) It was noted that despite a few challenges the repairs to the culvert fencing had been completed. It was also noted that the ditch adjacent to the bus stop had

now been cleared. Action will now be taken to rod the drain under the bus stop base and under the road.

e) It was noted that there continued to be what was considered an excessive number of mains water leaks causing disruption to supply and lengthy road closures. CG was asked to write to Anglian Water expressing concern at the continued disruptions and the road closures some of which appear to be for an unnecessarily long period.

22/125 FINANCE AND ADMINISTRATION: a) The following payments were considered for approval; £66.60 to Hepworth Recreation Ground – hall hire; £42.48 to L Robinson – materials for Jubilee Corner; £1168.16 to C Garman – Parish Clerk’s salary April to September 2022; £292.00 to HMRC – payroll PAYE; £399.99 to C Garman – reimbursement for purchase of laptop computer; £28.00 to N Bennett – reimbursement for the share of hire of hall for ECAP training; £95.74 to C Garman – Parish Clerk’s expenses July to September 2022; £22.80 to SALC – payroll administration; £407.65 to Arthur J Gallagher Insurance Brokers Ltd – insurance; It was resolved to approve these payments.

b) An income and expenditure statement with budgets for the year to 30 June 2022 had been previously circulated together with a bank reconciliation and bank statement. These documents were considered. It was resolved to confirm that the bank reconciliation agreed with the bank statement.

c) The insurance renewal documents with Hiscox had been previously circulated. The insurance cover proved was considered. It was resolved to confirm that the cover provided in the insurance schedule was appropriate.

d) There was discussion about what items might need to be considered for the budget for 2023/2024 in respect of projects and possibly professional advice in respect of the Shepherds Grove development.

22/126 PLANNING MATTERS: It was noted that there had been no further developments in respect of the proposed Shepherds Grove development and possibly further development on an adjacent site. A copy of an email had been circulated from a planning consultant about having professional advice which was considered. The potential fees were outside the Parish Council’s current budget. It was decided to not take any further action with a planning consultant for the time being.

22/127 PARISH COUNCILLOR VACANCIES: It was noted that there had been no appetite for an election for the vacancy created by Helen Corris’s resignation so councillors were now able to co-opt to fill the vacancy. This vacancy will be advertised with the view that hopefully at least one person will come forward. It was noted that Robin Shackleton had now resigned creating a second vacancy. This vacancy will be subject to an election if there is the appetite.

22/128 CORRESPONDENCE: Correspondence had been previously circulated and no further action was considered necessary.

22/129 QUESTIONS TO THE CHAIR: a) It was noted the work on the trees in the recreation ground had been completed.

b) MM gave an update on the Quiet Lanes Suffolk project and advised that the installation of the signage would be a community project and that £50 will be needed in due course as a contribution towards the cost of the signage.

c) GB said he would attend the village remembrance service and will source the wreath.

22/130 DATE OF NEXT MEETING: The next Parish Council meeting which will be on Thursday 10 November 2022 at 7.30 pm which is a week earlier than usual.

The meeting closed at 9.15 pm.

Christopher Garman, Parish Clerk

HEPWORTH PARISH COUNCIL

NOTICE OF VACANCY

Notice is hereby given that there are two vacancies on Hepworth Parish Council. These vacancies have previously been advertised, and no election has been requested. The Council is now able to fill these vacancies by co-option. Would you please consider becoming a Parish Councillor?

APPLICATION SHOULD BE MADE IN WRITING TO THE CLERK TO THE COUNCIL, AND DELIVERED, EMAILED OR POSTED TO:

CHRISTOPHER GARMAN, PARISH CLERK, SPRINGERS, THE STREET, CONEY WESTON, BURY ST EDMUNDS, IP31 1HG or clerk@hepworthvillage.co.uk

Applicants are asked to give brief reasons for offering their services to the Parish Council. Any elector interested in applying is welcome to contact the Clerk for further details. The successful applicant will be chosen following consideration by the Parish Council.

Applicants should note that Councillors are expected to attend regular monthly meetings on the third Thursday of each month and any additional meetings as may be arranged, and to represent the electors of Hepworth in raising and discussing those issues of interest and concern on which the Parish Council is empowered to act. Applicants should also note that membership of the Council is open to electors who are citizens of any state in the European Union or of the Commonwealth and

- Whose residence is in Hepworth or within 3 miles of Hepworth, or
- Whose principal place of work is in Hepworth, and
- Who are not disqualified (because of a criminal record, bankruptcy or involvement in corrupt practices).

Applications should be submitted by 31 December 2022 and will then be considered at the Parish Council meeting on 19 January 2023.

For further information, please contact the Clerk to the Council.

	Min. Temp:	3.9°C	11th
	Total Rainfall:	38.3mm	
	Wettest Day:	9.8mm	23rd

September 2022: An average month with no extremes of temperature or precipitation and with rainfall slightly below average. More 'autumnal' during the second half of the month with cool nights, although no air or grass frost recorded. Gardens, grass and general vegetation now recovered from summer heat and drought. In fact much bloom in the garden into the first week of October.

October 2022: A very mild, rather dry month with most of the rain falling in the second half. Mean temperatures, both night and day were well above average, particularly during the second half of the month. No air or grass frost recorded. By the end of the month there was more bloom in the garden than there was in July/August.

Barningham CEVC Primary School

Each half term, we choose one of our core values to focus on and this

half term, we have been looking at 'to give'. We have been working on the importance of giving to others and how this links to the Christian value of 'service'.

We linked this understanding of giving to others and service to the importance of Remembrance Day. Owl Class took part and led the local service at St Andrew's church where we commemorated the lives of the soldiers who gave their lives in service to our country. The children read out the names of each of the soldiers from the village who died during World War 1 and World War 2 and placed a cross for each one by the cenotaph; to ensure that we will remember them for everything they did to serve others.

We also fundraised at schools through selling snap bands, poppies and other items – where all the money raised went towards supporting the British Legion – showing our core value in action!

As we continue to think about the importance of giving and service, we have begun all our preparations for Christmas – a time for giving. The Friends of Barningham have been preparing for our Christmas Fayre, an opportunity to give our time to fundraise for the school which takes place on Saturday 26th November. We are also preparing for our Christingle Service, where we will be fundraising for the Children Society, which will take place on Monday 5th December at St Andrew's Church at 9.30am. Please come and join us if you can.

From all the staff and pupils at Barningham CEVC, we wish you a Merry Christmas and a joyous start to the new year.

Hepworth Flower Festival

The weekend of 24th -25th September saw St Peter's Church full of colour, when 17 flower arrangers produced wonderful decorations on the theme of 'Harvest'. As well as flowers, there were seeds and fruits in evidence, including rose hips and blackberries, crab apples and hops. There was an arrangement to celebrate the Lavender Harvest and a display of apples and apple products, including cider. The beautiful 14th century font cover was open to hold a collection of arrangements by Lyn Walker.

The festival finished on Sunday afternoon with our Harvest Festival, where a good quantity of food was donated for the Food Bank.

Very many thanks to everyone who made flower arrangements for us, as well as to the ladies who provided refreshments over the weekend in the Pavilion. Thanks also to those who donated to the plant stall, which became a demonstration of the plants that survive drought!

A final thank you to everyone who braved the road closure and made it through to the church.

Hepworth Art News

As is the custom on Strictly Come Dancing, THANK YOU, THANK YOU, THANK YOU for coming along and supporting your local art club. After a gap of three years, we were delighted to welcome so many people to our art exhibition over the sunny weekend of 10 and 11th

September. The positive comments received have definitely re-charged our batteries!

The two beautifully wood turned bowls were given to two happy people – drawn from the prize squares at the end of each day. A number of paintings were sold on both days. Whilst the aim of the two day show is to share with you our artwork, it is heartening to know it is so much appreciated that you want to have our art in your home.

Whilst clearing away after the exhibition, a blue jacket with striped lining was found . It is safe and, if it is yours, please contact me (details below)

Entering now the last quarter of 2022, we are looking forward to Still Life painting (from the pantry), Still Water (ponds, lakes or liquid in a receptacle), In the Desert, Trains and other modes of Transport, A Christmas Card, and Indoors (eg a favourite chair/furniture or pot plant).

Enjoy the rest of 2022. Keep safeand warm!

How lovely it is to have had the conifers surrounding the recreation ground cut to a reasonable height.

One man completed the job in two days!!! Then two days later the tops were mulched and taken away, very efficient and tidy!!! An extremely good job all round!

How excellent to have had a company which got the job finished within a week. What a great firm and Thank You Perry Pen for organising and getting hold of this wonderful firm.

Thank you.

Also how extremely sorry I was to have the sausage supper cancelled, purely due to lack of support, Hepworth tries to organise village events, but sadly if no one says they will come, what is the point??.
