

Hepworth

Issue 0

Herald

August 2017

I would like to start a new Hepworth village magazine to be distributed to all 250 households in the village every couple of months. I am looking for volunteers to help with all areas of production. If you can spare some time every other month that you would like to use to benefit the residents of Hepworth, please get in touch to find out more.

I am also looking for content – I hope that the first issue will come out in October. Perhaps you have some club or society news, or an article, picture, photo or announcement that you would like considered for inclusion? Please submit all copy to me by Monday, 18th September 2017.

If you run a local business and would like to advertise to all 550 residents in Hepworth, please get in touch and find out what the magazine can offer for you.
