# From the Benefice - Ken Smith, Benefice Church Lay Elder

Dear Friends & Neighbours

When I was a young teacher I got to know our local Ixworth policeman quite well. My occasional visits to the police station tended to be to plead with him to give some lad or another a second chance after committing a minor offence. Often something had started out as a prank and the teenager didn't know when to stop or didn't foresee the possible dangers of his actions.

One evening after such a visit the policeman told me he was a member of Toastmasters International and asked me if I would like to accompany him to a meeting. Somewhat reluctantly I agreed and one evening we set off for USAF Mildenhall for the event. After a good meal and listening to one or two well-prepared speeches a piece of paper was handed to me which read: "Talk about the monarchy in the UK and tell us why the British love it!"

I was shocked! I had not been warned that I would have to take part so there was no time to prepare. I had to think on my feet - fast. All I can remember about my 'speech' is that I said that the Queen was a very unifying figurehead and it was reassuring to us British to know that whatever happened in the world, or in our country, she would always be there. It gave us a certain feeling of security and stability. The Queen was above the political shenanigans. She put her country and its people first and as a fine Christian woman she set us an example to follow. I remember saying that her strength was in her weakness - which led to many questions from our American friends.

The Queen's Platinum Jubilee reminded me of that occasion because I still believe that what I said in the early 1970's is still true today. Here we are marking 70 years of her reign and she has kept the promise she made on her twenty-first birthday in her speech on Radio:

***"I declare before you all that my whole life, whether it be long or short, shall be devoted to your service."***

This month we will be giving thanks to her and that her life was a long one.

In her Christmas message in 2016 the Queen said:

***"Jesus Christ lived obscurely for most of his life and never travelled far. He was maligned and rejected by many, though he had done no wrong. And yet, billions of people now follow his teaching and find in him the guiding light for their lives. I am one of them because Christ's example helps me see the value of doing small things with great love, whoever does them and whatever they themselves believe."***

May we all celebrate the Queen's anniversary with joy and give thanks for her faith and all she has achieved during her reign.

God Bless  
Ken

**HEPWORTH PARISH COUNCIL - MINUTES OF THE PARISH COUNCIL MEETING**  
HEPWORTH PAVILION - WEDNESDAY 20 APRIL 2022 @ 1930

**PRESENT:** Councillor Garry Bloomfield (GB) (Chair), Councillor Robin Shackleton (RS), Councillor Marjorie MacPherson (MM), Councillor Perry Penn (PP), Councillor Justin Seldis (JS), Councillor Nicholas Bennett (NB), Councillor Helen Corris (HC)

**IN ATTENDANCE:** Christopher Garman (Parish Clerk) (CG), District Councillor Carol Bull (CB)  
One member of public was present.

22/050 **PUBLIC FORUM:** A member of public spoke about the opposition to the possible use of speed humps and encouragement to look at other solutions and deterrents. Also, there were comments on proposed Shepherds Grove development and the traffic movements.

22/051 **REPORTS FROM AND QUESTIONS TO BOTH DISTRICT AND COUNTY COUNCILLORS:** CB spoke about the increase in WSC charges for green bin collections and proposed changes with the recycling systems. CB confirmed that WSC were working to improve the appearance of Blacksmiths Cottage, The Street, Hepworth. CB advised she was working with a resident who was concerned about unreasonable use of a bird scarer.

22/052 **APOLOGIES:** Apologies were received from Councillor Louise Robinson (LR) and the reason was accepted. County Councillor Joanna Spicer (JSp) also offered her apologies.

22/053 **DECLARATIONS OF INTEREST:** None.

22/054 **REQUESTS FOR DISPENSATIONS:** None.

22/055 **MINUTES OF THE PREVIOUS MEETING:** Minutes of the meeting held on 17 March 2022 had been previously circulated. It was resolved that these were an accurate record of the meetings.

22/056 **MATTERS ARISING FROM THE MINUTES:** a) MM advised that the Hepworth Recreation Ground trustees were agreeable for items for the Community Emergency Action Plan to be stored at the pavilion but pointed out they would not be locked.  
b) MM advised that Hepworth Recreation Ground trustees were in principle agreeable for the Queen's Jubilee beacon being erected on the recreation ground. PP will advise on dimensions etc. The Parish Council agreed it would take responsibility for safety issues.

22/057 **VILLAGE EQUIPMENT, TREES AND HIGHWAYS:** a) The traffic calming project was discussed but was limited as JSp was absent. It was thought that the need for street lighting was not a legal requirement providing mitigating measures were appropriate. There were continued concerns about the lack of answers to questions and the absence of communication and engagement with the SCC officer. GB agreed to speak with JSp to see how to engage with the SCC officer and move the project forward.

b) There was no information in respect of progress with the surface on the ROW known as Weston Way.

c) The request to consider the provision of bike ramps was considered. A resident had previously circulated drawings for such a facility. There was discussion on how to take this forward. It was agreed that CG would consult with insurers on the aspect of risks and that MM would ask if in principle the Hepworth Recreation Ground trustees would allow space. Also, the resident would be asked to signpost the parish council to similar facilities so they could learn from their experiences.

22/058 **QUEEN'S PLATINUM JUBILEE CELEBRATIONS:** The arrangements for the Queen's Jubilee celebration event on Thursday 2 June were discussed in depth making sure that progress for delivery was on track. It was agreed to have an informal meeting on Thursday 26 May to check all is well.

22/059 **FINANCE AND ADMINISTRATION:** a) The following payments were considered for approval. £264.05 to SALC – annual subscription £89.90 to C Garman – expenses January to March 2022. It was resolved to approve these payments.

b) The purchase of a replacement laptop computer was considered. It was resolved to purchase Lenovo laptop computer at a cost £500 and to purchase a one year subscription for Microsoft Office at £79.99.

22/060 **COMMUNITY EMERGENCY ACTION:** NB has previously circulated a draft Community

Emergency Action. This document was considered and no changes were needed. It was resolved to approve this Community Emergency Action Plan and to implement immediately.

22/061 PLANNING MATTERS: a) There was no further discussion on the proposed development at Shepherd's Grove as this has been considered at 22/050. It was acknowledged that little further could be done until a formal planning application was submitted.

b) Planning application DC/22/0481/FUL relating to Hawthorns, North Common, Hepworth, IP22 2PR was considered. It was noted there was no mention of facilities to support the proposed glamping pods. It was resolved to advise WSC that there were no objections but to comment on the lack of information for supporting facilities.

22/062 CORRESPONDENCE: Correspondence which had been previously circulated was considered and no further action was needed.

22/063 QUESTIONS TO THE CHAIRMAN: a) There was discussion about the slow progress with the Quiet Lanes Suffolk project and concerns with SCC in delivering.

b) There was discussion about the recreation ground car park being locked and not available for walkers. It was suggested that there was adequate parking nearby for walkers.

c) There was discussion about the future of the Hepworth Recreation Ground and having adequate trustees and officers going forward.

d) The arrangements for the Annual Parish Meeting were discussed. CG is to invite local groups to deliver reports.

22/064 DATE OF NEXT MEETING: The next Parish Council meeting which will be the Annual Meeting of the Parish Council is on Thursday 19 May 2022 at 8.00 pm and will be preceded at 7.30 pm with the Annual Parish Meeting.

	Min. Temp:	-0.6°C	31st
	Total Rainfall:	23.1mm	
	Wettest Day:	7.2mm	4th

**March 2022:** A dry, rather warm, calm month, dominated by large areas of high pressure. Precipitation was 59% of normal with many sunny days and some local slight frost at night. On the 16th, a small low pressure brought rain and a substantial fall of Saharan dust here in the afternoon and evening, drawn up by days of southerly winds and sandstorms in North Africa.

**April 2022:** Another exceptionally dry April with temperatures around the average. Precipitation was only 15% of average. There was a tendency for more frost than usual. Some damage was noted to various trees and shrubs. A passing 'unnamed storm' on the 7th gave a squally afternoon and a gust of 63 mph during a shower.

# TRAVELS DOWNUNDER - A REMINISCENCE

## Part 8

Our explorers have just spent some time in Tasmania,  
and are on their way back to the mainland

Our return boat trip from Tasmania went without a hitch. Now, this was 2005 and we were navigating using good old fashioned paper maps. So on arrival back in Melbourne I knew that basically we just needed to turn left and head west. Simple! Needless to say this went terribly wrong. It was Friday evening and we ended up, towing our caravan, right in the heart of the city. The traffic was a nightmare and at one stage we ended up outside the casino where a large number of limousines were causing traffic gridlock and were disgorging people for what was obviously a black tie event, evening gowns and tuxedos everywhere!

Eventually we managed to extricate ourselves and found our way to Geelong where we had booked a campsite for the night.

The next morning we headed off again knowing that the next few days should include some very spectacular scenery as we were about to travel the length of The Great Ocean Road. It's regarded by many as one of the world's great road trips. It starts in the small town of Torquay and runs for about 240km and, as its name implies, mostly hugs the coastline. It certainly lived up to its reputation and we stopped frequently to take in the spectacular scenery. Just past Apollo Bay we stopped for two nights at Cape Otway in a lovely woodland campsite. It is memorable to us as this was where we saw our first koalas in the wild, a very special moment.

Back on the road we completed The Great Ocean Road and passed from Victoria into South Australia at Mount Gambier, where there is a spectacular blue lake in a volcanic crater, and it really is a deep shade of cobalt blue. Continuing to follow the coast we passed through Kingston where we saw The Big Lobster (see previous chapter on Australia's "Bigs") and came to Wellington where we caught the ferry to cross Australia's longest river, the Murray. The management of the Murray, and its tributary the Darling river system, is politically very controversial. The Murray Darling basin suffers both drought and flood, and because it covers such a vast area there is great competition for the water when it is flowing. Communities, farmers, and First Nation cultural needs, and the environment generally all compete for the water and it is always a political hot potato as to who should be allowed to take water from it.

to be continued.....

## ST PETER'S CHURCH HEPWORTH.

From now until the end of October the Church will be open  
Daily 10 - 4

We have had TWO, most successful and really enjoyable evenings in the Hepworth Village Hall. Firstly we had Ron Bacon's marvellous pub games, darts, pool, skittles, etc. All this happened on the evening of St George's Day in April. It was very well attended with lots of laughter and fun was had by all. THEN we had the Quiz Night, which was equally fun, Jane and Tony Duffield organised a pretty taxing evening, which made our minds ticking and thinking!! We bought our own food and drink which was no problem, and both these events were well supported, again with lots of laughter and relaxed atmosphere.

It jolly well shows that the Village Hall hall is a great asset and can be used for lots of various events and activities. And sadly if we don't use it we will lose it.
