## From the Rectory

Dear Friends & Neighbours,

February often feels like a month caught between seasons. Christmas is well and truly packed away... (although I have to confess leaving a few twinkly lights up); the days are still short, and yet if we look closely we see signs of hope and bulbs are already pushing through the cold ground. Snowdrops appear almost unnoticed at first, lambing time edges closer, and the light lingers just a little longer each evening.

In the church calendar, February brings us Candlemas, the feast that marks the presentation of Jesus in the Temple. It's a moment that can easily be overlooked, but it holds something deeply precious. Simeon and Anna, two elderly figures who have waited faithfully for years... and finally they see what they have long hoped for: the light of God coming into the world. Simeon describes Jesus as "*a light for revelation to the Gentiles, and for glory to your people Israel*".

Light is such a powerful image at this time of year. We are all weary of darkness by February... dark mornings, dark evenings, and sometimes dark news that weighs heavily on our hearts. Yet Candlemas reminds us that God's light does not wait for perfect conditions. It shines into ordinary, imperfect, even difficult circumstances. Hope doesn't arrive with a fanfare; it often comes quietly, held gently in waiting arms.

February is also a month when we're invited to pause and reflect. Before we step into the busy-ness of spring and before Lent calls us to reflect once again on Jesus' journey to the Cross... there's time to ask a simple but important questions: Where have I noticed light recently? Who has helped me see hope when I struggled to find it myself? And how might I be a small bearer of that light to others?

In our small communities, light often shows itself in very practical ways: neighbours checking in on one another, meals shared, lifts offered, conversations held at the gate or over a cup of tea. These moments matter more than we sometimes realise. They are reflections of God's care, lived out in everyday faithfulness.

As we move through February, my prayer is that we would have eyes to notice the light already among us...to see God's love at work in the small details of a friendly 'hello' or a glimpse of the first snowdrops. And of course, there is and will always be a warm welcome and the promise of God's light for you in our churches which we'd love to share with you.

God Bless, Rev Cathy

IN ATTENDANCE: Andy Osman (Parish Clerk) (AO), County Cllr Joanna Spicer (JS), One member of the public

25/116 DECLARATIONS OF INTEREST: None.

25/117 APOLOGIES: None.

25/118 PUBLIC FORUM: B1111 Road Closure Impact. Traffic issues along The Street were highlighted during the recent closure of the B1111. These included HGVs seeking to pass along narrow stretches of the road and causing verge damage. The meeting agreed to pass on the observations to Suffolk Highways Network Assurance and to seek better signage in any future works (Clerk action after confirmation of email by County Cllr Spicer).

25/119 REPORTS FROM AND QUESTIONS TO DISTRICT AND COUNTY COUNCILLORS: a.

25/120 MINUTES OF THE PREVIOUS MEETING: Minutes of the meetings held on 16 October 2025 had been previously circulated and it was resolved that these were an accurate record of the meetings.

25/121 MATTERS ARISING FROM THE MINUTES: a. Jaynic & Clarkes Signs. The Clerk confirmed that both unauthorised signs were now being dealt with by West Suffolk Council Enforcement.

b. Village Hall/Church Sign. An update on the feasibility of replacing the post holding the village hall and church signs produced by Suffolk Highways had been pre-circulated. This confirmed the low feasibility of being able to complete the works due to the verge being quite narrow with not much stability and the presence of a concrete headwall close by. The meeting agreed to consider an alternative location the other side of the ditch in the hedge and PP agreed to discuss this with the landowner.

25/122 FINANCE AND ADMINISTRATION: a. Finance Report. The meeting noted the finance report (current account balance £6,268.74, savings account balance £7,000.00 and the projected outturn at the end of the FY of approx. £3,900 current account and £7,000 savings account). The following payments were agreed: CAS Web hosting & setup £216.00; CAS gov.uk domain name £54.50; Barningham PC £100.00; Hepworth Pavillion Hire £96.00; LR agreed to authorise payments.

It was also agreed to rename the existing 'Village Hall' reserve of £2,000 to 'Village Hall Play Park Refurbishment'.

The pre-circulated quote of £6215.96 (inc VAT) for two Evolis Vision solar powered SIDs from Elan City was accepted. It was agreed that:

- The Clerk would complete Suffolk County Council paperwork for two new SIDs at the currently used locations.
- The Clerk would review the suitability of the existing poles to mount the new SIDs in line with Suffolk Highways policy (at least 1.3m from verge to bottom of SID). The cost for replacement poles of £630 from Suffolk Highways was noted.
- Purchase one Evolis Vision SID this FY from operating budget.

- A143 remediation. It was indicated that the A143 road surface between Stanton and Ixworth would be fixed at no cost to the County Council by the original highway contractor.

- Culvert. JS agreed to follow up with the drainage team the clearing of the culvert under The Street by Wood Lane. County Cllr Spicer and District Cllr Bull left the meeting at 8.20pm.
